

PRESIDENT: Senator Johnson, we'll have to adopt the amendments here first, I think.

SENATOR JOHNSON: I move that the amendments be adopted.

PRESIDENT: All right. Now, Senator Duis, any further discussion of the committee amendments to LB912. The question is then shall the committee amendments be adopted. All those in favor, say aye. All those opposed, say no. Committee amendments are adopted. Now, Senator Johnson.

SENATOR JOHNSON: Mr. President, I move that the bill as amended be advanced to E & R initial.

PRESIDENT: Now, was there any further discussion of LB912 as amended? The question then is shall LB912 as amended be advanced from General File to E & R initial. Those in favor, vote aye. Those opposed, vote no. Have you all voted? Once again, have you all voted? That are going to vote? Clerk will record.

CLERK: 26 ayes.

PRESIDENT: The bill is advanced. Brings up LB944, Senator Maresh's bill.

CLERK: Read LB944. There are committee amendments.

PRESIDENT: Chair recognizes Senator Duis.

SENATOR DUIS: The committee amendment merely strikes the language and I would defer to Senator Maresh as I ask for the adoption of the committee amendment.

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, my bill originally increased the group life insurance policy limit from \$15,000 to \$30,000 and this was due to the inflation problems that we have run into in all businesses be it farming or any business. My banker felt there was a need to increase this amendment and I presented the bill to the committee asking for an increase rate up to \$30,000 and in their wisdom, they felt that this should be removed completely to no limit and that's the way the bill stands with the committee amendment. I move that the committee amendment be adopted.

PRESIDENT: Any further discussion of the committee amendment. Then, the question is shall the committee amendment be adopted. All those in favor, please say aye. Those opposed, say no. Ayes have it, so ordered, the committee amendments are adopted. Back to you, Senator Maresh.

SENATOR MARESH: Mr. President, I move that LB944 be advanced to E & R initial.

PRESIDENT: Now, is there any further discussion of the bill? Question shall LB944 as amended be advanced to E & R initial from General File? All those in favor, vote aye. All those opposed, vote no. Have you all voted? Clerk will record.

CLERK: 25 ayes, Mr. President.

PRESIDENT: Bill is advanced. Brings up LB763.

CLERK: Read LB763. There are no committee amendments. Senator Richendifer has an amendment which is pending on the bill and which is found in full on page 520 of the Legislative Journal.

PRESIDENT: The Chair recognizes Senator Richendifer for his amendment.
